Sport 4 Life has been commissioned to deliver a number of different conferences for a range of clients. These are always delivered in an innovative way that is bespoke to the client group we are dealing with.

Our most recent conference was delivered at the City of Manchester Stadium on behalf of Sport England on the topic of sport and social housing. The event was coordinated, delivered, marketed and advertised by Sport 4 Life including a report to summarise the effectiveness of the conference and the feedback from delegates.
