

Event Management

Sport4Life staff are able to manage a wide variety of events, from small community park events through to National Sporting Championships. Sport4Life has a wealth of event management experience, from National competitions, to regional, district and small localised events and we have even written a guide to event management for the Street Games national initiative.

Event Logistics

Sport4life Ltd. have a wide range of quality equipment to support your event logistics, All of the equipment is available to hire with experienced staff on hand to set up and operate for your event. We can supply a very competitive quote for your event, all fully supervised by our experienced staff. You choose what support you require from full event planning, management & delivery to rental of the gantry or just face painting!

Start / Finish Gantry

Ideal for types of events; running, cycling, triathlon or any type of event where you want to create a highly visible presence. Our inflatable race arch can also be used for promotional activities. Each hire comes with banners “Start”, “Finish”. The height of each arch is sufficient to allow transport such as emergency vehicles to travel underneath. Each arch has Velcro sewn into both sides of the vertical bars to allow temporary promo / sponsors banners to be affixed to the arch. You can have your own banners and customise the arch for your company or event. You just supply us with the artwork and we'll have everything done for you.

Race Clock

A digital race clock can also be supplied for your start / finish. Please note timing clocks CANNOT be hung from our inflatable gantries.

PA system

The Sport4life Ltd event p.a. system has everything you will need for your sports event, with quality speakers, amplifiers, music systems and includes radio mics, head mics etc.

Marquees

Sport4life Ltd has arrange of marquees ideal for your event logistics, from the larger inflatable dome 4m x 6m, Coleman shelters 4.5m X 4.5m to smaller 3m X 3m pop up gazebos.

Course Management

We can supply all of your event items including traffic cones, crowd control barriers, course marking stakes & tape, event directional signs, mileage signs, marshal bibs, steward safety jackets, short range radios, generators etc.

Activities

Sport4life Ltd can provide high quality activities for your event to make it a great family experience, with experienced, qualified and insured staff we are able to provide Face Painting, a range of sports activities e.g. Football, Street Dance, Martial Arts, Frisbee, Dodgeball, In Line Skating, Skateboarding, Street Art, Children's crafts, Bouncy Castles etc.

Health & Safety

All of our staff are highly experienced and qualified, Sport4life Ltd has £10 million public liability insurance, all equipment is PAT certified and we provide full risk assessments for each event.
