

Sports Training

One day Introductory Sports Specific Workshops

Sport4Life Ltd are working in partnership with a range of Sports Governing Bodies, local authorities and County Sports Partnerships & agencies to deliver a wide variety of sports education & training opportunities that help build the capacity of the workforce working in disadvantaged communities in the North West.

Sport4Life are able to deliver a number of sports specific coach education courses direct to our partners e.g. Cheerleading, including StreetCheer, Tri-Golf, Basketball, Volleyball, Table Tennis, Handball, Dodgeball, Ultimate Frisbee, Orienteering, In Line Skating, Skateboarding etc.

Safeguarding and First Aid

We offer Sports Coach UK Safeguarding and Protecting Children, Health & Safety Executive (HSE) accredited 1st Aid training courses at very competitive rates, from the one day Emergency First Aid course (ideal for sports coaches / volunteers) to a 2 day Paediatric First Aid course and the full 3 day First Aid at Work course.

Accredited Learning

Sport4Life are an Approved Centre with Open Awards and 1st4Sport and a Sports Coach UK Licensed Workshop Partner. We are listed on The 2012 Register of Training Organisations, hold the MATRIX standard and our latest OFSTED Self-assessment report we rated, "outstanding" in outcomes for learners. We can deliver a wide range of accredited programmes using qualified & experienced tutors to your projects, our tutors are specifically experienced at working with young people from inner city areas.

Sport4Life have also developed a one day Introduction to Sports Leadership programme that is ideal for young people & volunteers just starting out in the coaching / leadership world, it is a very "hands on" practical course. This course is accredited with the Open Awards. For more information contact Sport4Life staff.

We have recently merged with Diamond Soccer Coaching Centres and are now offering high quality FA level 1 and Level 2 Coach Education in Greater Manchester to over 250 learners per year.

Sport 4 Life was described by SkillsActive as "One of the most successful providers nationally" of the pre-employment programme linked to volunteering at the 2012 Olympic Games, Personal Best. 477 learners undertook the programme through Sport 4 Life and our consortium and over 80% of learners achieved the qualification on Sport 4 Life provision, one of the best records nationally. Personal Best received The Gold Medal Awards for Most Invaluable Volunteering Project at The Podium Awards in May 2012. Sport 4 Life can still offer the L1 Certificate in Preparation for Event Volunteering to support your volunteering project.

Sport 4 Life has experienced tutors in the delivery of functional skills programmes in English, Maths and IT and have portable IT and internet facilities that can be transported to any suitable community venue.

Sport 4 Life is experienced at delivering programmes to offenders in custody and in the community. During 2011/2 has successfully delivered programmes in 3 Greater Manchester Prisons.

Advice and Guidance

Sport 4 Life is a Matrix accredited provider of advice and guidance services and our staff are experienced at delivering advice and guidance and supporting young people and adults deemed to be hard to reach within disadvantaged communities.
